Description

The Akyga® AK-AD-63 adapter allows you to expand the **Lightning** socket on your phone with an additional **audio Jack 3.5 mm** port. It allows you to enjoy your favorite music from the headphones without any limitations while charging the device. Therefore, it is a must-have for every owner of an **Apple** smartphone.
The splitter does not support a microphone integrated with headphones and is only compatible with devices that do not have a separate audio socket.
