Description

Akyga® AK-SW-33 is a **magnetic charging cable for Suunto** sports watches. The high quality of the components and the attention to detail ensure that it doesn't differ in any way from the original version of the charger. So, you can be sure that the cable will fit perfectly into the charging contacts of your smart watch. What's more, **the magnetic tip** effectively protects your watch against accidental disconnection of the cable during charging. This way, you can charge your smartwatch anywhere without worry. You can charge your smartwatch anywhere, not only at home, but also while travelling in the car or during a workout. You choose whether to connect the accessory to a mains charger, a powerbank or another device with a USB port.
Suitable for, amongst others: Suunto 9, Suunto Spartan Sport, Suunto Spartan Sport Wrist HR, Suunto Spartan Sport Wrist Baro, Suunto Spartan Ultra, Suunto EON Core, Suunto D5.
