Description

The Akyga® AK-SW-53 charger is the perfect accessory designed specifically for **OnePlus Watch** users, combining a sleek design with exceptional functionality and reliability. With spring-loaded pins and magnetic attachment, the charging process is simple and convenient, just like the original charging pad.

Convenient Charging for OnePlus Watch

The AK-SW-53 **charger for OnePlus Watch** features **spring-loaded pins** that gently adjust to the smartwatch when connecting. This ensures that the connection is secure and stable. In addition, the built-in magnet automatically attracts the watch to the charger, ensuring perfect placement and eliminating the risk of accidental disconnection. This solution makes charging hassle-free and secure every time.

Robust Pad and Universal USB Cable

The charging pad has a built-in **1 m USB cable**, giving you the ability to connect it to a variety of devices such as a computer, laptop, wall charger or powerbank for complete flexibility of use.
