Model: **AK-SW-58**

Product code	AK-SW-58
Compatible with	Ticwatch C2
Power supply connector	USB
Cable length	1 m
USB output voltage	5 V / 1 A
Package	UniBag
Product size (L x W x H)	110 x 70 x 09 mm
Package size (L x W x H)	160 x 100 x 10 mm
Net weight	27 g
Gross weight	30 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5906708750030
Warranty	24 months

Desctription

The Akyga®AK-SW-58 charger is an indispensable accessory for **Ticwatch C2** owners, combining elegance, functionality and reliability. It consists of a sturdy **charging pad** and a durable **USB-A cable** that is permanently attached for convenient and handy use. It is ideal for both home users and frequent travellers.

Functionality and Convenience of the Charging Pad for the Ticwatch C2

The AK-SW-58 charging pad guarantees safe and stable charging of Ticwatch C2 watches. The solid base of the charger increases the comfort of use, allowing you to easily place your smartwatch without worrying about it moving.

Universal USB Connection

The built-in 1 m USB-A cable provides plenty of freedom to connect the charger to different power sources. Whether you're using a wall charger, laptop, desktop computer or powerbank, the watch charger easily connects to them. This makes the charger extremely versatile and always ready for use in any situation.

Reliable Charging Pad

The Ticwatch C2 charger operates at a standard voltage of 5 V and a current of 1 A, ensuring stable and safe charging. These parameters are optimally matched to the smartwatch’s needs, guaranteeing an efficient charging process without the risk of overheating or overloading the battery.
