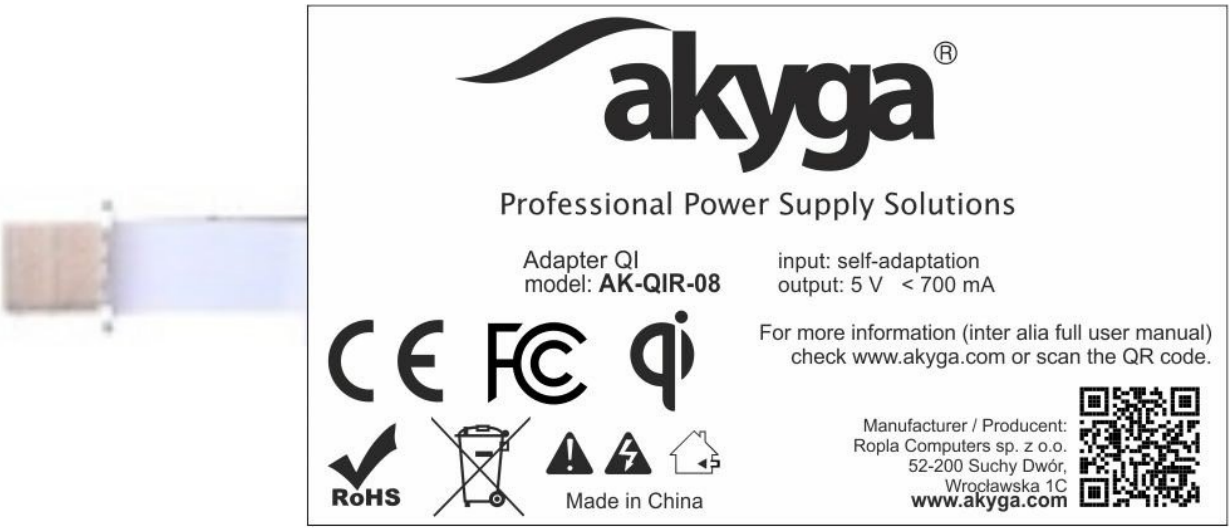
Inductive charger

Model: **AK-QIR-08**



Product code	AK-QIR-08
Product type	Inductive charger
Power supply connector	Lightning
Power parameters	5 V / 0.7 A
Product color	White
Temperature	5 - 50 °C
Package	UniBag
Product size (L x W x H)	105 x 45 x 1 mm
Package size (L x W x H)	160 x 90 x 3 mm
Net weight	6.5 g
Gross weight	11 g
CE compatibility	Yes
FCC compatibility	Yes
RoHS compatibility	No
REACH compatibility	Yes
EAN code	5901720132840
Warranty	24 months

Description

A high quality **QI adapter** with maximum power parameters **5V/0.7A**, dedicated for **iPhone 6, 5, 5s and 5c**.
To connect the adapter, put it on the battery and press the connector in the right place. Thin design and light weight guarantee comfortable use. Charging of the device is done by an induction coil and requires no wires. When the device is placed on a charger the battery starts charging automatically.
The **AK-QIR-08** adapter allows to adapt your equipment to modern charging solutions, get rid of traditional network chargers and reduce unnecessary wiring. This product is compatible with all inductive chargers.
The thickness of the adapter is 0.8 mm in place of the coil and 1.6 mm in place of electronic circuits.
