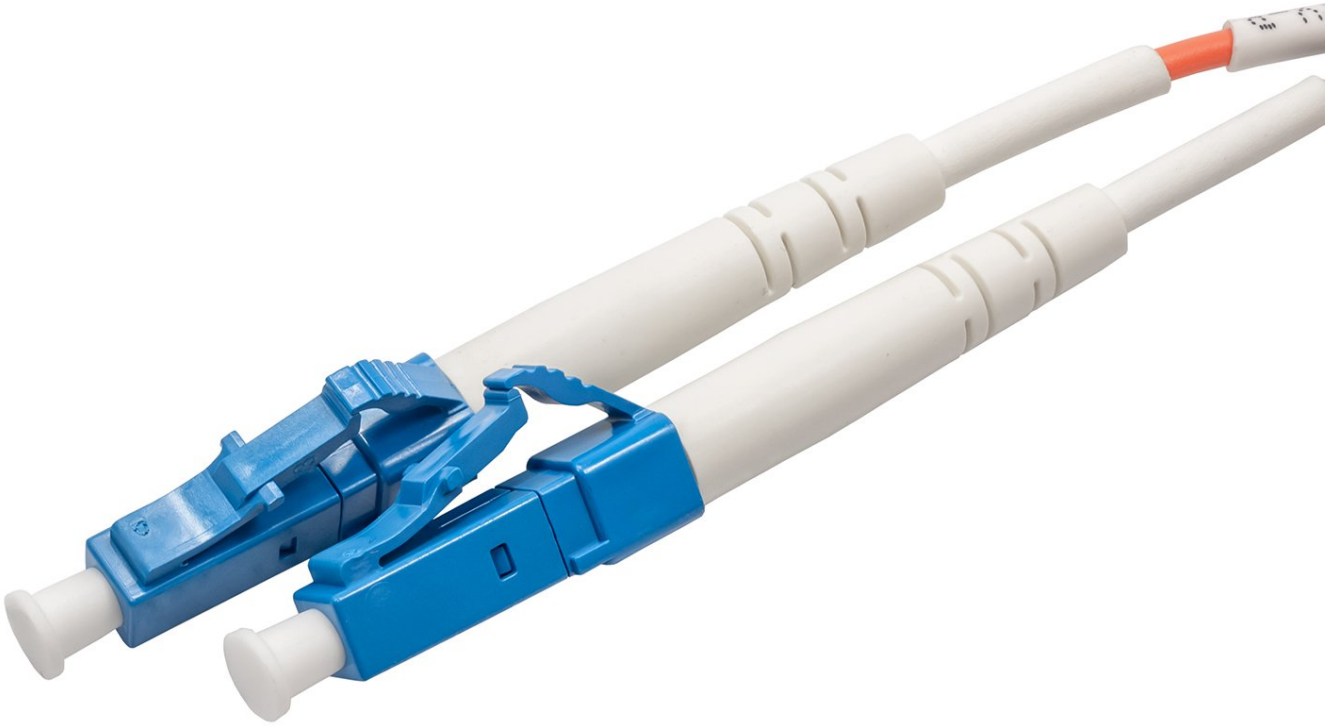
Patchcord

Model: **AK-FC-01**



Product code	AK-FC-01
Product type	Patchcord
Cable length	2 m
The cable plug #1	Connector 2x LC/UPC DX
The cable plug #2	Connector 2x LC/UPC DX
Type of patchcord	Single Mode
Core diameter	9 µm
Cladding diameter	125 µm
Wavelength	1550 nm
Connector type	Duplex
Product color	Black
Package	Foil
Product size (L x W x H)	130 x 130 x 15 mm
Package size (L x W x H)	180 x 180 x 16 mm
Net weight	340 g
Gross weight	380 g
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720135643
Warranty	24 months

Description

Akyga® AK-FC-01 is a 2 m long single mode duplex optical fiber patchcord. The product is equipped with two male connectors in LC/PC standard. Its advantage is that the plugs are equipped with snap-in locks to prevent accidental ejection. And thanks to their small size, they work well in areas of high density switching fields. The use of patchcords eliminates the need for welding an optical fibre.
