Warranty	24 months

Description

The Akyga® Midi Tower ATX case **AK916BK** is a versatile product, perfect for players and for home or office space. The case allows mounting **Micro ATX**, **Mini ITX**, **Flex ATX** or standard **ATX** motherboard.
Located on the top **5.25" external bay** allow to mount a CD/DVD drive or burner. Inside there are **three 2.5" bays**, **three 3.5” bays** (convertible to 2.5") and **one 5.25” bay** giving a total of **7 bays** for disks and drives. The cable management system facilitate the installation of components while spacious interior allows for long graphics cards up to **385 mm**.
The case makes it possible to install **three fans**: side (12 or 14 cm), rear (12 cm) and front (12 cm). The front fan takes cool air from the bottom, thereby supporting the entire cooling system. The maximum height of CPU cooling system is **150 mm**.
On the front panel there is one **USB 3.0 port** for fast data transfer and standard **2.0 port** for connecting peripherals such as mouse or keyboard. The headphone and microphone inputs are located right next to, providing fast and easy access for peripherals.
A set of assembly screws included. The contents of the set may vary depending on the delivery.
To protect the environment all Akyga cases are packed in EcoBoxes.
