Model: **AK-SC-26**

Product code	AK-SC-26
Product type	Adapter
Cable length	45/15 cm
The cable plug #1	Male connector PSU
The cable plug #2	Female connector MOLEX + MOLEX
Package	UniBag
Product size (L x W x H)	180 x 30 x 10 mm
Package size (L x W x H)	220 x 100 x 12 mm
Net weight	32 g
Gross weight	38 g
EAN code	5901720135223
Warranty	24 months

Description

The Akyga® AK-SC-26 adapter with modular power supply cable has two female Molex 4-pin and one male PSU connectors. The element is ideally suited for extending the number of devices connected to the modular power supply. The length of the cable between both Molex terminals is 15 cm, and between Molex and PSU is equal to 40 cm - this distance allows us to freely arrange the cables in the computer casing.
