Car charger

Model: **AK-CH-02**

Product code	AK-CH-02
Product type	Car charger
Series	Universal
Supply voltage	12/24 V
Power consumption	< 1 A
Mechanical switch	None
OVP	Yes
OCP	Yes
OPP	Yes
OTP	Yes
SCP	Yes
Material	ABS
Product color	Black
Display	None
MTBF	100000 h
Temperature	5 - 50 °C
Package	Blister pack
Product size (L x W x H)	42 x 25 x 25 mm
Package size (L x W x H)	160 x 85 x 38 mm
Net weight	11.8 g
Gross weight	49.9 g
CE compatibility	Yes
FCC compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720130969
Warranty	24 months

Description

The high quality **10.5W Akyga® AK-CH-02 USB** universal car charger converts the 12/24V DC current of the cigarette lighter to **5V/2.1A** and **5V/1A**. It is ideal for people who want to charge their mobile devices while traveling by car.
Made of durable **ABS material**, the charger is equipped with **two USB slots**, allowing you to connect one or two devices simultaneously, such as smartphones, tablets, navigation, bluetooth headsets and all other accessories and devices that can be charged by **microUSB** socket. The maximum supply current is **2100mA**. The attachment system used in the charger prevents it from slipping out of the cigarette lighter socket when driving on uneven roads or even accidentally hooking the charger by hand. Security certificates guarantee safe operation of the device. Compact dimensions ensure usage comfort and easy storage in any glove compartment.
The charger is compatible with a lot of commonly used smartphones.
